

February 18, 2016

JETT Electronics LLC. has successfully passed their ISO 9001/AS9100 Rev C. Certification audits and officially certified by PRI Registrar through 2/17/19. They also hold certified status in the IAQG OASIS Database. JETT will to be audited on an annual basis and we expect them to continue down the positive path displayed on their initial audits. We congratulate them on this wonderful accomplishment!

Sincerely,

Brett R. Pollock
